

KONI STR.T NOW AVAILABLE FOR FORD FUSION

KONI proudly announces KONI STR.T performance dampers are now available for the 2013-2018 Ford Fusion sedan for all front wheel drive models. Introduced as part of the "One Ford" design strategy, the 2013 and newer Fusion is a shared platform for both Europe and North America. The Fusion responds well to KONI's STR.T's improved ride quality and handling response over the original factory struts and shocks.

Brand/Model	Year	Product	KONI P/N	Axle
FORD				
Fusion - All FWD excl. AWD	2013-2018	STR.T	8750 1113L	Left Front
			8750 1113R	Right Front
			8250 1043	Rear

STR.T

KONI's entry level performance line STR.T (pronounced "Street") shocks and struts bring improved performance and handling as well as KONI quality to the driving enthusiast. The KONI STR.T product line is designed for excellent original equipment (OE) replacement or to complement other suspension modifications, including lowering springs. KONI STR.T carries a limited lifetime warranty as with most KONI products.

- Entry level performance shock absorber
- Complements factory or lowering springs
- Perfect for OE replacement or vehicle improvement
